

# Golf Tournament Tune-Up

Does your organization want to:

- Increase your golf tournament net profit?
- Learn new ways to generate more revenue?
- Gain insight on keeping your event “Fresh & Exciting”?
- Enhance the profile of your organization?

Now is the time to consider a Golf Tournament Tune-Up, from experienced charity golf tournament experts, to prepare for your 2018 golf event. Many of our clients have raised more profit, generated more revenue, reduced their overall expenses and moved their charity golf event to the next level.

For a small investment now, your 2018 golf fundraiser can benefit from a “tune up” that will produce tangible results.

The experienced Golf Tournaments Incorporated team will:

- Meet with your organization to review your tournament (in person or by teleconference) to discuss any particular challenges facing your event
- Provide a professional assessment of your golf fundraising event including a written report with specific recommendations
- Present these findings to your staff and/or golf committee
